Transformation Package Protocols

Each package includes a fully customized **30, 60, or 90-day protocol**, along with:

- **2 check-ins per month** (30–40 minutes each)

✨ Every protocol is tailored to your unique needs—whether you're working through a chronic condition, detoxification, balancing hormones, or simply looking to optimize your health.

✨ Protocols are designed to meet you exactly where you are—whether you need a gentle approach or a more intensive pace.

✨ Our approach works on the **cellular level**, restoring balance to your body's biochemistry while also addressing the **physical, mental, emotional, and spiritual** aspects of healing.

What These Protocols May Include

- Therapeutic diet strategies for **cellular regeneration**
- Herbal medicine & Traditional Chinese Medicine protocols
- Enzyme therapy
- Bio mineral Balancing/ organic remineralization
- Intracellular chelation and detoxification (mold, heavy metals, parasites)
- Strategic and Guided Fasting Strategies
- Lifestyle, psycho-emotional, and spiritual guidance
- Practical tools and applications to support your journey
- Additional testing may be required (ex:; blood or hair analysis)

All protocols are designed to be **anti-inflammatory** and aim to restore optimal **methylation, detoxification, and bio-electrical balance**. By eliminating toxins and pathogens while replenishing minerals and restoring cellular energy, we re-establish the foundation for true healing.

A Body In Balance Heals Itself.
